Ebook Details:

Review: An excellent, and very interesting, cultural and social history of the Lakota Nation. The people of this country know so little of the history of our indigenous peoples and the way White America treated them and the impact that this treatment had on these people. This book helps to bridge that knowledge gap and should be required reading for all high...

Description: When Standing Bear returned to the Pine Ridge Sioux Reservation after sixteen years absence, his dismay at the condition of his people may well have served as a catalyst for the writing of this book, first published in 1933. In addition to describing the customs, manners, and traditions of the Teton Sioux, Standing Bear also offered general comments...
